Comment:

50X1-HUM

- a. Most of the firms listed have already been, or soon will be, nationalized or absorbed into other nationalized undertakings.
- b. Demands for sleepers amount to approximately 2,000,000 sleepers yearly. [redacted] the works listed above were working to 80% capacity. 50X1-HUM
- c. [redacted] deliveries by the wood-impregnating firms to state concerns [the State Railways and the postal authorities] amounted to between 51% and 60% of capacity. 50X1-HUM
- d. At the moment, to reach full capacity output the firms would have to undertake considerable private business for electrical and other private industrial concerns.
- e. Wood deliveries to the impregnating factories [redacted] 50X1-HUM
